- Completely restored, over 200k EUR invested
- Engine optimized from 140 hp to 180 hp

The Aston Martin DB2/4 Mark I for sale here was first registered on 02.05.1955 by its first owner K. C. Jeavons in Martons, UK. The original vehicle registration document from England is available. Until the year 2000 the car had 6 further owners. In September 2000 the DB2/4 was bought by Dieter Crone from Erkrath. In the same year the car was bought by its current owner. In 2002 this Aston Martin participated in the Mille Miglia in Italy. A FIVA Identity Card is available. From 2002-2007, the owner had a very extensive restoration of the car done by a specialist store at a cost of over 206,427 Euros. In 2010 a new ignition system was installed. The vehicle has been regularly serviced and treated with great care since the completion of the restoration. The current value appraisal from February 2023 confirms this with a condition grade of 1-. The car also received a power upgrade from 140 hp to 180 hp. The Weber carburetor system was perfectly adjusted by the specialist workshop Viktor Günter in Cologne. Fast, beautiful and well-maintained - all of this fully applies to this Aston Martin DB2/4 MKI.
