- First-owner vehicle with very low mileage
- Aston Martin factory warranty
- Extensive optional equipment

A highly exclusive Aston Martin DB 12 Convertible in striking color combination of “Caribbean Blue Pearl” metallic over “All Chancellor Red” full leather interior. Originally delivered through Aston Martin dealership Düsseldorf, this elegant convertible has been driven just 8,902 km by a single owner. As a result, it can be considered to be in virtually new condition. It is still covered by an Aston Martin factory warranty.

List of optional equipment:

Custom paint, full leather interior with blue stitching, high-end surround sound stereo system by Bowers & Wilkins with 1,170 watts, heated sport steering wheel, Carbon interior package—including paddle shifters, Inspire Sport equipment package, 21-inch wheels in Satin Black—diamond-polished, high-gloss grille, bag set, seat ventilation, Homelink, AM lettering in enamel finish, smoked glass taillights, and much more. A dream for the coming spring and summer.
