First Registration:	17.06.1971	Capacity:	1.256 ccm
Mileage:	1.276 km	Color:	Black
Output:	39 KW/53 HP	Interior:	Leather, Blue

- **As new condition**
- **Completely restored by Joff Grover / UK**
- **“Best of Mini” in Beaulieu 2015 and 2019**
- **One of only 792 Cooper S MKIII models for the UK market**
- **German registration with H license plate**

This perfectly restored Mini Cooper S was completely restored by Joff Grover in England. After completion, the car was awarded first place at the annual Mini meeting in Beaulieu. The trophy was presented by John Cooper's son.

A multi-page article about this car was published in the trade magazine “Mini World.” In 2021, a German collector bought the Cooper for his daughter. He had the car serviced at a specialist workshop. The vehicle has German registration.
