

Bentley

Continental GT V8 S

First Registration:	03.06.2014	Capacity:	3.993 ccm
Mileage:	85.074 km	Color:	Titanium Grey Metallic
Output:	388 KW/528 HP	Interior:	Black

- **Very well equipped and well maintained second-hand coupe**
- **Sought-after S model with 528 hp**
- **German vehicle from Düsseldorf**
- **Full service history exclusively at Bentley Düsseldorf**
- **MOT valid until October 2027**

First delivered in Germany via Bentley Düsseldorf in a very attractive vehicle configuration and with almost full equipment. Complete service history at Bentley Düsseldorf. Both owners meticulously maintained the beautiful GT coupe, so that it looks almost like new. This vehicle is visually flawless with no repainting and in perfect technical condition. The equipment list is very extensive, including a high-end Naim sound system, keyless go, electric trunk opening/closing, seat ventilation/heating, full leather interior in diamond pattern design with silver-colored contrast stitching, and piano black interior trim.
