- **Demonstration vehicle from Bentley Napleton/USA**
- **Extensive list of optional features**
- **Very tasteful configuration**
- **Accident-free with service history verified by Carfax**
- **German registration with recent MOT inspection**

This beautiful Bentley was custom-configured by the Bentley dealer Napleton Northbrook (IL) in the U.S. It served as a demonstration vehicle to show customers the special options available for this model. It was serviced regularly, and its relatively low total mileage can be easily verified via CARFAX. This beautiful Bentley was first registered on March 21, 2014, in Quebec. It was exported to Germany at the end of 2025. The list of special features is very extensive. We have a list of options provided by Bentley. Experience pure luxury and driving pleasure with this exquisite 2014 facelifted Bentley Continental GTC Convertible. The powerful 8-cylinder engine with 507 PS and all-wheel drive delivers an impressive driving experience.
